Morning Team,

Following up from our Design Progress meeting last, Thursday the 12th, please find the enclosed meeting minutes #64 *word and *PDF format. It is our intent that these minutes have captured the overall direction provided during each of our discussions.

I would ask everyone to review these notes and let me know if you have any edits, corrections or additions that you would like me to incorporate. Additionally I have included the updated log of "Open Items" from last week's meeting. Please forward to other members of your team if I missed them.

Regards,

Tom
